

North Carolina Diabetes Advisory Council

The North Carolina Diabetes Advisory Council (DAC) Awards and Scholarship

2022 DAC Awards Nomination and Application Form:

<https://communityandclinicalconnections.formstack.com/forms/ncdiabetesaward2022>

Each year the DAC accepts and selects nominations to recognize those who have demonstrated exemplary work in diabetes prevention and management including employers, caregivers, faith communities, health care providers, and pharmacists. **Those nominated must have encouraged others to eat healthy, be physically active, live tobacco free, get adequate sleep, participate in a diabetes program, or adhere to a personalized diabetes treatment plan as outlined in North Carolina's Guide to Diabetes Prevention and Management (Review pages 32-33; 38-41).** Nominators and scholarship applicants are required to submit a cover letter and two letters of reference along with the nomination form. Nominations are open from June 1 – July 31 each year. Award recipients are selected in September, invited to the Fall DAC Meeting on October 28, 2022 and recognized during the awards ceremony.

The award and scholarship categories are:

[John Bowdish Community Award](#)

Recognizes a person or organization that has provided community support in one or more of the areas highlighted above from North Carolina's Guide to Diabetes Prevention and Management.

[Myrna Miller Employer Award](#)

Recognizes an employer who has provided support in one or more of the areas highlighted above from North Carolina's Guide to Diabetes Prevention and Management.

[Health Care Provider Award](#)

Recognizes a hospital, clinic, health care organization or person in the health care field who has provided support in one or more of the areas highlighted above from North Carolina's Guide to Diabetes Prevention and Management.

[Hugh Young Educator Scholarship](#)

Recognizes a diabetes educator with a one-time financial award to participate in one of the following:

1. National American Diabetes Association Annual Conference.
2. Association of Diabetes Care & Education Specialists Conference or Training
3. Other national diabetes education meetings that support diabetes education efforts.
4. A training to become a certified Diabetes Prevention Program Master Trainer* by a CDC-approved Lifestyle Coach and Master Training Entity.

**Please note: If making this selection, the awardee must be a current and practicing trained Diabetes Prevention Program Lifestyle Coach.*

5. A North Carolina training that supports diabetes education efforts.

John Bowdish Community Award

The John Bowdish Community Award recognizes a **person or organization** that has provided community support in one or more of the following areas: Encourage others to eat healthy, be physically active, live tobacco free, get adequate sleep, participate in a diabetes program, or adhere to a personalized diabetes treatment plan, as outlined in [North Carolina's Guide to Diabetes Prevention and Management](#).

John Bowdish was an original member of the NC Diabetes Council. As a person with diabetes, he was a tireless advocate for those who shared his condition. He was instrumental in passing two of the most powerful pieces of legislation regarding diabetes in North Carolina, allowing people with diabetes to have their medication, supplies and education covered by insurance. He also helped to ensure the safety and inclusion of children with diabetes in school. These awards honor community members who exemplify the spirit of Mr. Bowdish and who engage their community in activities that support diabetes prevention and management.

Selection Criteria

The award recipient will be selected based on his or her ability to demonstrate the success and impact of completed work in diabetes prevention and/or management.

Application Form

Please complete one (1) Diabetes Award Nomination Form online, which includes the following:

1. Cover Letter

The nominator must submit a signed cover letter which includes a concise statement of the program description, outcomes (or projected outcomes), and how it aligns with the North Carolina's Guide to Diabetes Prevention and Management.

2. Two (2) Reference Letters*

- a. Must be written and signed by two different individuals who are familiar with the nominee's work and have a professional relationship with the nominee. (e.g., Professional supervisor, co-worker, former or current professor)

**Reference letters written by the nominator will not be accepted*

3. Optional: Additional pertinent information included as attachments

Please note: Self-referrals or self-nominations will not be accepted or reviewed by the DAC Awards Review Committee.

Deadline for Applications

The completed online application form (Including the applicant's cover letter, and two (2) reference letters) must be received by **July 31st at 11:59 pm.**

Myrna Miller Employer Award

The Myrna Miller Employer Award recognizes an **employer** who has provided support in one or more of the following areas: Encourage others to eat healthy, be physically active, live tobacco free, get adequate sleep, participate in a diabetes program, or adhere to a personalized diabetes treatment plan, as outlined in [North Carolina's Guide to Diabetes Prevention and Management](#).

Myrna Miller Wellons, a social worker and lawyer, was a women's rights and social welfare champion. She was employed in corporate affairs for Lilly USA at her death and was responsible for the company's government relations in North Carolina, Virginia, West Virginia, Kentucky, Tennessee and Arkansas on mental health and diabetes issues. She led efforts to educate consumers for the first Diabetes Day at the NC General Assembly in 2008. Her friends and professional colleagues remember her energy and passion for her work and her causes which included social work and diabetes. She served as the Vice Chair of the NC Diabetes Advisory Council from 2008 until her death in March 2010 of a stroke.

Selection Criteria

The award recipient will be selected based on his or her ability to demonstrate the success and impact of completed work in diabetes prevention and/or management.

Hugh Young Educator Scholarship

The Hugh Young Educator Scholarship recognizes and financially supports one deserving diabetes educator in North Carolina who has made outstanding and long-lasting contributions to diabetes prevention and/or management. The Hugh Young Award provides a one-time scholarship up to \$1,600 to an individual selected by the NC DAC Awards Committee and determination will be based upon the selection criteria and a complete application form with required documents.

Hugh Young was a former chair of the NC Diabetes Advisory Council. For over twenty years he was Director of the Edgecombe County Health Department until he retired in 1993. During his career, Mr. Young received several awards from the North Carolina Association of Local Health Directors, the North Carolina Public Health Association and the North Carolina Hospital Association. Hugh Young dedicated his professional career to promoting public health. His family has assured that his legacy lives on by helping deserving diabetes educators.

Selection Criteria

The award recipient will be selected based on his or her ability to demonstrate the success and impact of completed work in diabetes prevention and/or management as well as a commitment to advance his or her education as a diabetes educator. The one-time financial award will be used to support the awardee's participation in one of the following:

1. National American Diabetes Association Annual Conference.
2. Association of Diabetes Care & Education Specialists Conference or Training.
3. Other national diabetes education meetings that support diabetes education efforts.
4. A training to become a certified Diabetes Prevention Program Master Trainer* by a CDC-approved Lifestyle Coach and Master Training Entity.

**Please note: If making this selection, the awardee must be a current and practicing trained Diabetes Prevention Program Lifestyle Coach.*

5. A North Carolina training that supports diabetes education efforts.

Application Form

Please complete one (1) Hugh Young Award Application Form online, which includes the following:

1. **Cover Letter**

The cover letter should include a concise statement of the success and impact of the applicant's completed work in diabetes prevention and/or management as well as a detailed summary of how the scholarship funds will be used to advance his or her education as a diabetes educator.

2. **Two (2) Reference Letters***

- a. Must be written and signed by two different individuals who are familiar with the applicant's work. (e.g., Professional supervisor, co-worker, former or current professor)

**Letters of support written by the applicant will not be accepted*

3. **Optional: Additional Information (to be included as attachments)**

Deadline for Applications

The completed online application form (Including the applicant's cover letter, and two (2) reference letters) must be received by **July 31st at 11:59 pm.**
