Meeting Highlights

Topics and Points of Discussion

1. Welcome and Approval of June 4, 2021 Meeting Minutes

- Laura Edwards, North Carolina Diabetes Advisory Council (NC DAC) Chair, welcomed all participants and called for approval of the June 4, 2021 meeting minutes.
- A summary of the meeting presentations has been posted at <https://www.diabetesnc.com/diabetes-advisory-council/>
- Laura Edwards announced the following new DAC Members:
 Carey O'Reilly – NC Community Health Center Association
 Ciara Ruske – Liaison Member, Cancer Prevention & Control Branch, NC DPH

2. Health Equity in Context

- Cornell Wright presented on Health Equity in Context
- The presentation objectives were:
 - o Understanding health equity barriers
 - o Understanding health equity influences
 - o Learn the vision and mission for historically marginalized populations in NC DHHS COVID-19 program response

3. Community Centered Approach to Health Equity

North Carolina Diabetes Advisory Council

- Paula Swepson, Kimberly Freeman, and Aubrey Goode presented on the West Marion Community Forum
- The presentation objectives were:
 - o To highlight the successes of the West Marion Community Forum
 - o To present Shift Happens in Community: A Toolkit to Build Power and Ignite Change

4. Diabetes Self-Management Education and Support (DSMES) Update

- Corissa Payton, DSMES Quality Coordinator at the North Carolina Division of Public Health presented the statewide DSMES update.
- New DSMES Social Media Marketing Toolkit now available to promote awareness of DSMES services in North Carolina
- The A-Z Diabetes Educator Bootcamp will be March 21-25, 2022 in Greenville, NC. Registration will be open soon.
- For more information about DSMES programs or DiabetesSmart, contact Corissa Payton, Corissa.patyon@dhhs.nc.gov and visit diabetesmanagementnc.com

5. Diabetes Prevention Program (DPP) Update

- Kristie Hicks, Diabetes Prevention Program Coordinator at the North Carolina Division of Public Health, presented the statewide DPP Update.
- A new DiabetesFreeNC video tutorial for healthcare providers is available. This resource explains the DPP referral process and eligibility requirements for healthcare providers to refer patients to the DPP Navigators.
- The DPP Navigator referral service is a part of the DiabetesFreeNC initiative. DPP referral information and electronic and printed toolkits (in English and Spanish) for health care providers are available at <https://www.diabetesfreenc.com/resources/for-health-professionals/>
- For more information about Diabetes Prevention Programs or DiabetesFreeNC, contact Kristie Hicks, KristieHicks@dhhs.nc.gov and visit diabetesfreenc.com
